

Beautiful water fall, which is reachable by incredible paths, like many others to the mountain or straight to the coast.

Fantastic coast line with a lot of beaches, for surf lovers or just for trekking or biking.

Archeological Museum –Museu Arqueológico de Odrinhas -, one of the most important collections in Europe, proving that this region is very ancient (Roman Era) and also a recently discovery of other archeological spots that are considered one of the most important discoveries in the last 100 years.

Also the curiosity that, on roman era, this region was important due to wine and a fabulous work done for almost 10 years, recovering a unique grape in the world (*Jampal*) special due to a micro-climate, demarcating the boundary between Atlantic influence and the mild protection of the valley. This winery is also part of activities, with visits and tastings.

Around here we have six greens for golf lovers and very close to each other.

Beautiful sites closeby to Quinta dos Bons Cheiros, which deserves attention.
